FACIAL BEAUTY CARE

Luminance Facial Treatment: for delicate and sensitive skin : 500 Dhs

Skin cleansing with rose floral water-based makeup remover that hydrates the skin. Application of a gentle melting scrub respecting the sensitivity of the skin

Application of a soothing mask based on Aloe Vera

Massage and hydration with 'la belle crème' that soothes and protects the skin

Purifying Facial Treatment 500 DHS

This type of treatment is suitable for all skin types, and the range of products we offer combines natural organic actives with other pharmaceutical ingredients to ensure high-quality care

Dry to Very Dry Skin:

Skin cleansing with makeup remover, cleanser, and toner based on honey and Argan oil to deeply clean the skin.

Exfoliation and summer glow mask with dates and hyaluronic acid.

Blackhead extraction.

Application of a nourishing and hydrating mask for the skin.

Neck and face massage with a moisturizing cream.

Oily or Combination Skin

For this type of skin, specific products are used that contain sebum-regulating and soothing actives:

A cleansing gel or micellar water to clean the skin.

A toner that regulates pH and cleanses the pores deeply.

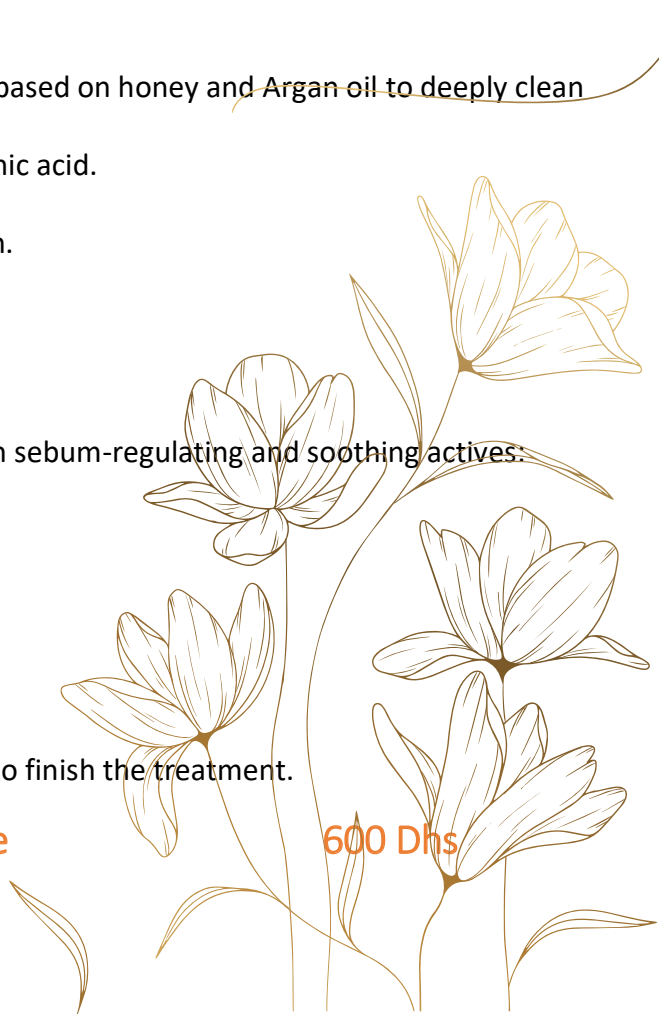

A gentle face scrub.

Application of a mask based on ginger and tea tree.

Emulsion or light cream with anti-imperfection properties to finish the treatment.

Mature Skin: Regenerationg & Anti-Aging care

600 Dhs

Our products for this skin type aim to nourish the skin, smooth wrinkles and imperfections, combat dryness, reduce the appearance of Age spot, and prevent loss of skin elasticity.

Skin cleansing with a creamy makeup remover.

Application of a cleansing gel or micellar water with orange blossom.

Application of a pure, melting scrub with argan oil and prickly pear.

Blackhead extraction.

Application of an anti-aging mask rich in mineral actives.

Energizing face and neck massage with Age Marvel cream or serum based on argan oil and prickly pear.

Soothing and repairing eye contour treatment.
